

THE ALL-NEW
CIVIC TYPE *R*

THE ALL-NEW CIVIC TYPE **R**

EMBODIMENT OF PURE PERFORMANCE

With its mission of pursuing unparalleled driving pleasure, the All-New Civic Type R combines advanced technology, sophisticated design and performance beyond compare. Equipped with a 2.0 liter turbocharged VTEC engine, coupled with a smooth and precise 6-Speed Manual Transmission, the Type R produces potent power of 320ps with 420N-m peak torque, embodying Honda's racing spirit and making it the most powerful Civic Type R to date.

+R MODE

INDIVIDUAL MODE

The All-New Civic Type R's 4-mode drive system allows the driver to select through four distinct driving styles, ensuring the thrill and pure emotion of being one with the car and the road. New to this feature is the Individual Mode which allows the user to customize through the different driving modes to best suit his driving style.

Honda **LogR**

REAL-TIME PERFORMANCE TRACKING

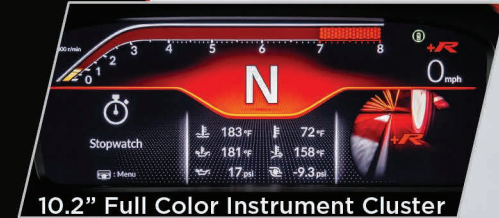

Chase your best lap time with the Honda LogR Performance Datalogger, exclusive to the All-New Civic Type R. See every lap unfold in real time, with a G-meter, lap timer, tire friction data, engine and oil temperature, boost pressure, and other critical information displayed on the touch screen and Driver Information Interface while you drive. LogR also captures data so you can review it later and see how you can improve your track performance.

BOLD BUT PURPOSEFUL

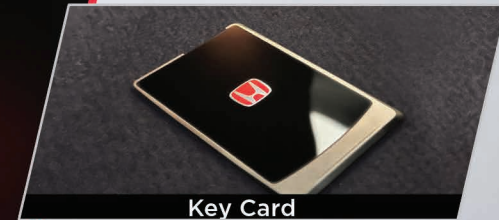

Step into a world where sophistication meets innovation. The All-New Civic Type R's interior is fitted with an intuitive driver-centric cockpit paired with Type R Spec Driver and Front Passenger bucket seats, keeping the Type R spirit ablaze with its iconic features elevated to achieve the Ultimate Driving Experience.

Type R Spec Bucket Seats

10.2" Full Color Instrument Cluster

Key Card

The All-New Civic Type R's Key Card takes accessibility to a new level with all the functions of a remote key fit in a more compact form.
