

Performance & Engineering

- **e:HEV Hybrid Powertrain:** Powered by a 2.0L Direct Injection Atkinson-cycle engine and dual-motor system for high-torque, fuel-efficient thrills.
- **Brembo™ Blue Brake Calipers:** High-performance braking power paired with an exclusive aesthetic of sports sophistication.
- **Performance S+ Shift:** Synchronizes driver input and vehicle response through visual, audio, and tactile signals for a truly intuitive, exhilarating experience.

Exterior Design

- **Sleek 2-Door Sport Coupe:** A return to the "Joy of Driving" with a low-slung, aerodynamic silhouette and signature Honda DNA.
- **19-inch Berlina Black Wheels:** Bold, dark-finish alloy wheels that provide a grounded and aggressive stance.
- **Signature Mesh Grille:** A modern, high-gloss front design that defines the Prelude's sophisticated performance look.
- **Lower Bumper Blue Accent Detail:** Flowing blue accent at the base of the front bumper embodies the Prelude's low stance and hybrid sports performance.

Interior & Technology

- **Exclusive Two-Tone Interior:** Premium Blue x White Leather trim featuring meticulous Two-tone Stitching and the iconic Prelude Embroidered Logo.
- **Bose™ 8-Speaker Premium Audio:** for an immersive, high-fidelity acoustic experience.
- **D-Shaped Leather Steering Wheel:** Smooth Leather with Blue Stitching and Alcantara Center Marker. Race-inspired ergonomics for outstanding operability and peak driver comfort.
